(iv) Government of India agree that two nominees of the Government of Mysore should be associated with the Special Recruitment Board for the purpose of selection of officers from the State. They will assist the Board in the selection but the constitutional position requires that Government of India should be advised in this matter by the Federal Public Service Commission/ Special Recruitment Board. The final responsibility for the selection must, therefore, rest with the Board and the Commission. Government of India have no doubt, however, that the nominees of the Government of Mysore on the Board will find that their advice is given the fullest weight and consideration by the Board.

20) The Selection Board will be coming here only in the later part of October. This was what I gathered at Delhi recently. It is hoped that by the time the Committee comes, the State Public Service Commission would have been constituted in which case the Chairman of the Service Commission may be one of the nominees of the Govt. To avoid delicacy it would be better if no one belonging to the Civil service is nominated for this purpose. The Govt of India are aware to this as has been informally ascertained.
